

Privacy Policy

Privacy

Your privacy is very important to us.

Personal Data

Personal data are information which can be brought directly or indirectly in connection with a natural person, for example, the name, the e-mail address or the address of a person.

Usage and Purpose

When using our website, data that may allow identification is stored for reasons of temporarily data security. The information of the standard server log files, which your browser transmits to us, are automatically collected and stored. These are: browser type / version, operating system, referrer URL (previously visited), Host name of accessing computer (IP address) and time of server inquiry. This information can't be assigned to specific individuals and a merge with other data sources is not made by us. The data will be deleted after a statistical analysis.

Further data is only collected if you provide this information voluntarily, e.g. via the contact form. These data are only used for answering your request.

Note: We receive E-mails without encryption techniques. The information contained herein may therefore viewed during transmission by third parties. Therefore, no data protection law relevant information should be delivered via email.

Cookies

Our site uses cookies to help manage your interaction with the website. Cookies are text files that store on your computer and allow that you do not need to repeat entries on our side when calling a lower side. You may set your web browser to reject all cookies but this may impair the functioning of this website on your computer.

Transfer to Third Parties

There is no transfer to third parties without your permission, unless legal grounds force to do so.

Security

We have implemented technical and organizational measures to ensure the security of data.

Information / Right of withdrawal

At any time you can use your right to information or withdraw your consent to the collection, processing and use of your personal data for the future. For this please write to the following address: FEIG ELECTROBIC GmbH, Lange Straße 4, 35781 Weilburg.

Deletion

The deletion of personal data takes place, if you withdraw your consent to storage, if the purpose of storage eliminates or if the retention periods have elapsed.

We reserve the right to change our privacy practices, if this is necessary for reasons of technical development. In these cases, we also fit our privacy policy accordingly.
